McGUIRE SEEKING WRITE-IN NOMINATION AS DEMOCRATIC DISTRICT 63 CANDIDATE

H. Paul McGuire, a Bethel Democrat, has announced his intention to seek a write-in candidacy for the Maine House of Representatives, District 63, composed of Andover, Bethel, Byron, Gilead, Hanover, Hartford, Lincoln Plt., Magalloway Plt., Milton Twp., Newry, Rangeley Plt., Roxbury, Sumner, Upton, and Woodstock.

McGuire, current chairman of the Bethel Democratic Town Committee, is chairman of history and Nordic ski coach at Gould Academy. A native of Mexico, Maine, and former resident of Andover, where his parents still reside, McGuire graduated from Mexico High School in 1957 and from the University of Maine, Orono, in 1961. That fall, he began teaching history at Fryeburg Academy, remaining until the summer of 1969, taking a leave in the meantime to complete his M. A. in history at the Orono campus. He is married to the former Jean Stalmuk of Mexico, and the couple have two children, Michael and Megan.

In addition to his present activity on the Bethel Democratic Committee, McGuire's political interests have led to chairmanship of the Oxford County Democratic Committee, 1975-78, membership on the Maine State Democratic Committee, 1976-present, and on the Maine Democratic Committee on Platform and Policy.

Beyond political affairs, McGuire has served in the Bethel Lions Club, on the Bethel Gub. Scout Committee, is an active member of the Maine Appalachian Trail Club, and has served as president of the Maine Ski Coaches Association.

CELEBRATION MIME TRIO TO PERFORM AT CHILDREN'S FAIR SATURDAY, JUNE 3

The Celebration Mime Trio of South Paris will be the special feature of the Children's Fair at the Bethel Library on Saturday, June 3. The trio of performers is a professional touring company engaged in children's theatre under the direction of the internationally renowned mime, Tony Montanaro, who currently resides in South Paris, as artistic director of the Celebration Mime Theatre.

The CMT Trio's production of "Pinnocchio" is an original, improvisational script adapting Collodi's classic Italian folktale. In the spirit of CMT's approach to theatre, the story of the little wooden puppet comes colorfully alive as the three players run the entire range of slapstick to pathos, using mime, masks, dialogue, and music to create the style of the ancient Commedia dell'Arts. It is an entertaining event that delights all ages.

A performance of Pinnocchio will be at the Outdoor Children's Fair on Saturday, June 3 on the Bethel Library Lawn beginning at 1:30 p. m. There will be no charge for admission. Additional attractions will be the Telstar High School Jazz Band, sale of children's books and snacks.

President of the Maine Ski Coaches Association.

Citing the need for an active Democrat whose convictions include the belief that Democratic values and rural concerns need not be mutually exclusive, McGuire asks all District 63 Democrats for support in filling out the ticket on June 13.

DISTRICT #44 BOARD TO MEET JUNE 5

The M. S. A. D. #44 board of directors will meet in the Library at Telstar Regional High School on Monday evening, June 5. The public portion of the meeting will open at 8:30. The board will meet in executive session at 7 o'clock to discuss matters pertaining to negotiations, including an interview with a representative of a labor relations consulting firm.

Included on the agenda for the public portion of the session will be action concerning retention of a district labor relations consultant and posting of non-athletic extra curricular advisors. These two items were tabled at the last board meeting.

Action will be requested on granting a leave of absence, resignations, staff transfers, posting of vacancies. Also a representative to the NOVA cooperative board will be named to fill an unexpired term.

Spinning or wading is prohibited in the fountain on the Common. Signs to this effect will be erected shortly. We ask the cooperation of everyone in helping us care for the Common.

The Board of Selectmen met in special session Tuesday evening at the Bethel Savings Bank. Weapons permits were approved for Scott and Howard Gunther. The following Board and Committee appointments were made, Mary Myers as a member of the Community Safety and Law Enforcement Committee; Burnham Rice, Robert Davis, Arnel Brown, John Greenleaf, Alan Jodrey, and Blake Mackay, Radio Study Committee; Mary Valentine, Airport Advisory Committee; John T. Grover as commissioner to the Androscoggin Valley Regional Planning Commission.

The Board approved the 1978 Sewer Department Budget, approved invoices from Dubois and King on the Sewer Facilities Planning Study, and granted approval for a small garden at the Treatment Plant to illustrate how the sludge generated from the plant can be used.

The manager reviewed correspondence from the Federal Aviation Administration indicating that the Master Plan Study applied for by the Town would not receive immediate funding. The manager suggested that the Airport Advisory Committee work with the Selectmen to formalize the land option agreement authorized by Town Meeting in 1977. The town will also be requesting any available assistance from the state in exercising this option. It was originally hoped that this work could have been accomplished as part of the Master Plan Study.

After discussion, the Board authorized the manager to write a letter to the Rumford Community Hospital indicating that the town is interested in and is supportive of the Area Health Needs Study.

BETHEL LIBRARY VOTES TO RENOVATE SECOND FLOOR
At their annual meeting on May 1, 1978 the Trustees of the Bethel Library Association voted to have the second floor of the Library renovated in order to provide more space for library activities. Room is needed for the Children's Story Hour, occasional films or slide shows, better use of reference materials and storage. Insulation, heat, lights, and an outside door and fire escape are among the needs if this space is to be made useable.
A fund raising drive to cover the cost of these improvements is being initiated. The target figure is \$7,500. The library's budget is tight. In a period of steadily rising costs the annual request for funds from the town has been held at the same figure (\$3,500) for the past three years. It is of interest that some of Bethel's neighboring

Greenwood City —

— Mrs. Colista Morgan, Corres. —

A sprightly breeze with a pleasant breath swept up a few leaves and swirled them across the lawn then down the road for more devotion. My wail of violins nodded and displayed their beauty. Ruth took a picture of them then we left for the afternoon of hiking.

We go to the woods for pleasure and never consider the time wasted. There are so many things to see, to savor and to learn.

We left the car at a turn on the old county road which before 1920 went from the Tubbs District to our section.

We expected to make our way through alders to the railroad but we were pleasantly surprised to find a road made by woodsmen. We continued on it until we came to the railroad. Here we viewed the abutments where a bridge on this road once crossed this river. We watched its flow of gray-blue water as it rushed along. In a short time it would wander across flat land with only a whisper or two. Our eyes feasted on luscious greenness and we listened to bird songs, especially the oriole.

Of course we turned back the years to things we remembered when we traveled here so many years ago.

We now continued on, up the railroad track for our plans were to visit the Pot Holes. On either side of the track the trees were dressed in various colors of green. Beautiful!

Everywhere there were the marching evergreens. The serried ranks of the dark-hued trees stride down all slopes. Each year they step forward across the ledge-iced shoulders. They plod steadily on hillsides and edge their way into rich lowlands. Today they were broken by the stretch of the railroad.

We passed a bog. Bog, a very short word but it carries a vast emotive effect. A bog is a secret place, one of mystery. There are drooping alders at the edges of the mass of moss. Water surface stretches black, brooding and gloomy. The solid ground has given way to mud and a dreary green carpet studded with low bushes. Usually there are scraggly cranberry bushes. We weren't near enough to tell. But a bog is ideal for birds and plants. Orchids, pitcher plants, sun-dew, a carnivorous plant with flashes of red and glorious clusters of lamb-kill tucked among the alders.

We next came to the iron bridge over which we had to walk and between each stringer we could see down, down to the flowing water beneath.

Here we spoke of the thunder storm which one day overtook us in this spot and we recalled the moose ahead of us on the railroad.

In a short time we were at the entrance to the Pot Holes. We decided to keep left of the mass of rocks and go to the little boggy place to see if the yellow irises were in bloom? I remembered the exact spot where I had seen them several years ago and now surprised I was to find them growing there. The leaves were there but no blossoms yet. That means another trip.

At the falls we climbed the rocks and followed up through, stopping to view the fantastic shapes and sizes of gullies, holes, and caves. I'm always intrigued with the one I call the Bean Pot. It is perfectly round at the top with a depth of 15 or more feet. These holes are made by the whirl of the water cutting tools such as sand, pebbles, or even boulders grinding away at the rock. The grooves and scratches made by the swirling pebbles and sand can often be seen on the sides of pot holes.

Some of the larger pools are plunge pools ground out by giant whirlpools at the base of waterfalls.

A hole has been made in the bean pot so that it now remains empty. I put a flash into my camera and took a picture.

To visit here is a deep emotional experience, a reality that puts an indelible mark upon one's innermost self.

The mosquitoes (let me not forget the mosquitoes) ubiquitous little brutes, sang their monotonous around our heads. All were hungry, and it was our blood that they were after. We used our "Wig" and they were off for a time. We arose from our resting place brushed our clothes, and tried to

WEST PARISH CHURCH LADIES GROUP MEETS

The Ladies Group of the West Parish Church met at the vestry for their regular monthly meeting on Wednesday morning. Mary Valentine conducted the devotional exercises, giving a short history of singing in the church, many of the first hymns being psalms and poems set to music. In earlier years the congregations did not participate in the singing mainly because at that time not many could read music. Some selections of the psalm songs were sung by the group. Refreshments were served by the hostess, Miss Valentine. Working on craft projects completed the meeting.

**PURITY CHAPTER MEETS
WEDNESDAY, JUNE 7**
There will be a regular stated meeting of Purity Chapter #102, O. E. S., at the Bethel Masonic Hall on Wednesday, June 7, at 7:30 p. m. There will be ballot for a drive on a card, some of the most delightful experiences is to get outdoors and smell the fragrance of spring—to feel the warmth of the sun—to hear the songs of the birds—to see the riot of color in the garden after such a long weary wait. June, in this hemisphere, is a time when it is good to be alive and able to enjoy all it has to offer.

But how many of us stop to think of those who can enjoy June only through a window. Surrounded by four walls, they lie in glass in wheel chairs watching the seasons change through a pane of glass. These are our shut-in friends—those we honour on the first Sunday of June each year, June 4th this year of 1978. Those of us who are well have no conception of what it means to be taken for a drive on a spring day. Couldn't we share just a tiny bit of our own good fortune, a hour or two of our time, to provide a pleasant experience for one who is confined, whose days are dull and monotonous and often painful? If this is not feasible, a personal visit, a drive in a car, some flowers from our garden, perhaps—any of these kindnesses will make a happy day for someone who will deeply appreciate your efforts. Shut-ins day is also a time for doing some small service for an elderly friend whose movements are restricted.

Until we ourselves are stricken with a disability, we cannot possibly know how much it means that someone cares and remembers and loves us—someone who gives us the assurance that we are still an important member of Society and not just a statistic tucked away out of sight and mind.

Many shut-ins will be remembered on June 4 but there will still be thousands in hospitals, nursing homes, Senior Citizens' homes and in their own homes who will be alone and wishing someone would notice them. When you visit your handicapped friend, take along an extra gift or two for those who will have no one. You'll be glad you did!

We are the ones who pause, and pause, and pause, and pause, and we have learned to be grateful for a glimpse of apple blossoms in a spring.
The evening star,
Or folded buds, a flash of blue-bird's wing,
A sunset sky.
God grants us wondrous beauty every day,
And there are memories we can't forget,
And to us, laid aside, God comes to be
Within our lives, a sweet reality.
—Helen L. Oram

AREA FIRMS MEET WITH TELSTAR MATH DEPARTMENT

Representatives from Andover Wood Products, Comsat, Ekco, P. H. Chadbourne and Stowell Wood Products met with the Telstar Math Department on Thursday, May 25. The purpose of the meeting was to discuss the General Math Curriculum at the High School and how it relates to the needs of area employers. The instructors and business representatives spent about an hour and a half discussing whether the general curriculum includes the math skills needed for employment in the firms represented, whether there were critical skills which needed to be included and whether there were courses that could be offered through the Telstar Adult and Community Education Program that would be of benefit to present employees of the firms.

The meeting, organized by the Bethel Area Community Education Work Council, provided an opportunity for educators and businessmen to discuss their needs and problems and begin to create ways to bring schools and industry closer together in addressing common concerns. It is hoped that similar discussions can be held in the future to look at other curriculum areas and how they relate to the needs of local employers.

141st GOULD GRADUATION SATURDAY MORNING, MAY 27

On Saturday morning, May 27, 63 seniors at Gould Academy received their diplomas from William M. Throp Jr., President of the Board of Trustees. The ceremony was highlighted by a commencement address given by Tony Montanaro, well known mime, actor and acrobat, and the founder and director of the Celebration Mime Theatre in South Paris. Mr. Montanaro urged the graduates to find their place in society, not by knocking others "off the hill" but with tact and the willingness to compromise.

Valedictorian David Polstein, of Augusta, then charged the graduates to learn from others, to seek situation as others from different countries might do.

H.; Gary Byrd, Washington, D. C., won the Huxson College Medal for achievement in the area of Business Studies.

LIBRARY TO RENOVATE

continued from Page One
communities appropriate three or four times as much annually for their libraries—Norway appropriated \$15,000 this year, South Paris \$12,000—although these towns are not that much larger than Bethel.

The library is of service to the town. In 1977 more than 15,000 books were borrowed. The Story Hour is held all year with extra sessions added in summer; a recreation program given the town without cost to the community. A special three day reading program is now being presented to interest even more youngsters in reading.

Expansion of facilities will increase the library's potential for service. Various methods for raising money are under consideration, and in coming weeks local businesses and residents will be approached. Contributions are tax deductible. A permanent record of all contributors will be displayed in the second floor area when completed. Contributions may be made to: Bethel Library Improvement Fund, Bethel Library Association, P. O. Box 63, Bethel Maine 04217.

The sooner the funds are raised, the sooner the work will be done. The trustees are proud of the library's success and are confident the library will continue to grow.

At the annual meeting of the trustees of the Bethel Library Association on May 1, 1978 the following officers were elected for the coming year: Rebecca Kendall, President; Ruth Feeney, Vice President; Margaret Joy Tibbels, Secretary; John Head, Treasurer.

The resignation of Ruth Ames as trustee was accepted with thanks for her long and valuable service. Stanley Howe was elected as a new trustee.

The trustees for the coming year are: Bruce Bailey, Elizabeth Bane, Helen Berry, Dorothy Boyce, Denise Brown, Donald Brown, Norris Brown, Jo Ellen Carter, Ruth Feeney, Madeleine Gibbs, Michael Gilbert, Ralph Hall, Frances Hail, Annie Hastings, John Head, Stanley Howe, Rebecca Kendall, Donald Kendall, Louise Lincoln, Jean McGuire, Ray Moran, Sue O'Donnell, Margaret Joy Tibbels, Edmund Vachon, Mary Valentine and Richard Waldron.

Memorial Day has come and gone, but the temperatures were more like 4th of July week end. Those who had planned on outdoor barbecues must have been disappointed because with the heat and bugs it was not too comfortable outdoors. If anyone had told me a week ago the illas would be out for Memorial I would have said "No Way". They were and so were the apple trees.

Driving from the house to Bethel is a beautiful ride—almost all the older houses have either got illas (white or purple) and apple trees in bloom. Some of the houses have all three. These with the wild cherries and the flowering crab apple tree at Smith's just keep one praising the Lord. The greens of the new leaves and darker green of the grass, with every once in a while a patch of brown earth where it has once again been plowed in readiness for the seed, makes us again realize the wonders of nature.

Mr. and Mrs. George Gilbert and Ronnie went to Birchwoods, Rangeley, for Memorial week end.

Mr. and Mrs. Robert Stearns have been making trips to Stephens Memorial Hospital to visit his son, Vivian Barlow of Andover. Monday visiting hours, Mr. and Mrs. Ricky Seames and children Ryan and Dawn, went with her parents, the Stearns. On the way home, they stopped at Snow Falls to have a picnic.

Mr. and Mrs. Frank Aylward visited Mr. and Mrs. George Gilbert Thursday.

Carole Mason, daughter of Mr. and Mrs. Charles Mason Jr., played with the band in the Bethel and Locke Mills parades.

Mrs. Thelma Merrill and Mrs. Pat Murphy went to Stephens Memorial Hospital Thursday to see Mrs. Vivian Barlow.

Jody Shimamura, son of Mr. and Mrs. Joe Shimamura, played in Junior High Concert at Telstar Tuesday, May 23. His parents and grandmother, Mrs. Thelma Merrill, and brother, Bill, went to the concert.

Timmy Angevine, son of Mr. and Mrs. Dick Angevine, is having the chicken pox.

Ms. Lee Einzig went to Andover, N. H., over the week end to visit her father, L. Hassler Einzig.

Ms. Sally Clay and friends went to Hastings Campgrounds, Gilead, camping over the week end.

Christine and Andy Smith went to the races at Oxford Plains Speedway, Sunday night.

Mr. and Mrs. Jeff Hutchins and daughters and Mr. and Mrs. Joe Shimamura and Mrs. Thelma Merrill were some of those who went to Memorial Day parade.

Sunday before Memorial Mr. and Mrs. Everett Saunders, Robert, Robert and Richard, entertained David Hunt and Mrs. Saunders' brother, Mr. and Mrs. Brooks Morton, Bethel, Mrs. Saunders' mother, Mrs. Eleanor Morton and brothers, Harry, Jack and Peter, Newry, Mrs. Saunders' sister and family, Mr. and Mrs. Paul Melchin and children, Dawn and Paul Jr., and their friend, Joe Shannon, all from Massachusetts; Mrs. Saunders' other sister, Mr. and Mrs. Ronnie York and children, Ron Jr., and Rhonda from Bar Mills.

Mr. and Mrs. Garry Ellault and his mother, Ramona Ellault and Ramona's granddaughter, Meredith Usher, all from Westbrook; also Mrs. Saunders' aunt Daisy Young and Mrs. Young's grandson, Eugene Reed, Rumford. These were all dinner guests. Also dropping

in Mr. and Mrs. Don James and Elsie, Albany and Mr. and Mrs. Howard Gunther, Bethel.

Memorial Day the Everett Saunders family went to North Berwick to see his sister and husband, Mr. and Mrs. Richard Tyler and their son, Richard, Mr. Saunders' mother, Mr. and Mrs. Walter Bernard (Marie) were visiting at her daughters, The Bernards live in Hyde Park, N. Y.

Paris, Douglas, Dennis and Andy and daughter Christine Smith plus Donny Bachelder, all gathered at his home Sunday for an early Father's Day present.

WEST BETHEL
CHILDREN'S CENTER

Our Head Start program came to an end last week. We had a very exciting and full year. The children and staff spent the last day with a barbecue at Crocker Pond which was enjoyed by all despite the black flies.

"Graduating" from our Head Start Early Childhood Development Program this year were Jacob Barony, Aaron Billings, Rachel Bonney, Jeb Brown, Monica Buck, Greg Corrin, Eric Currier, Deena Dube, Hazen Emery, Meredith Haegle, Tammy Mason, Damian Morrill, Kim Sprague, Lisa Thurston, Zachary Patrick, Melinda Tuttle, Allen Westleigh, Brenda Hart, Michael McAllister and Brandon Moore.

The Center is still operating full time 8:30 to 5:00 with our Day Care Program. This week we welcomed back the children from Memorial Day Week End with sun-burns and bug bites. Our big project this week is planting the Center garden. A special thanks to Mr. Gilbert for tilling the plot for us. We are also making puzzles, painting, and using the water table.

For our trip this week we will take the children to Hanover Dowl to see the different operations there.

JACKSON-SILVER POST & UNIT
Memorial Day services were held May 29 at Locke Mills with the parade getting underway at 9 a.m. Commander Hermon Cummings Jr. led the procession, followed by the colors of Jackson-Silver Post and Unit #88 and Vice President Nancy Cummings marching with the Poppy Girl, Rebecca Lynn West, Telstar High School marching band furnished music.

The Daughters of Union Veterans of Bryant Pond were among the marchers, as were the Boy and Girl Scouts and many children with their flags.

At the village honor roll, prayer was given by Chaplain Alanson Cummings and the Poppy Awards were given out by Vera Cross. The speaker, State Service Officer, Howard Eisman of Togus, gave an inspiring address. Steve Seames escorted Chaplain Fannie Cummings to the bridge to put a wreath in the water and Nancy Cummings with the Poppy Girl, placed a wreath at the honor roll.

At the cemetery the volley was fired and taps played. P.D.C. John Howe was on hand to help the police with the traffic.

After the usual service at East Bethel, the members went to the site on the Gore Road, of their new home, for the ground-breaking ceremony by the President and Commander.

At 1:30 p.m. a few dedicated members were in Bryant Pond to help with the parade there. Charter members Alanson and Fannie Cummings served as the marshals. Col. Myron Pierce spoke very well, and the band played again.

Anderson was next. The band again was on hand—and the faithfuls—Leland Dunham, Warren Smith and son, Ronnie, the Roy Days, the Everett Crosses, Cathryn Lovejoy and the old-timers, the A. Cummings were there.

GILEAD LIBRARY HOURS
The Gilead Library will be open each Saturday from 2-4 p.m. throughout the summer.

TELSTAR'S REBELS HAVE
15-3 DIAMOND SEASON

The Telstar Rebel baseball team finished their campaign recently with a double-header sweep of Berlin, N.H. The Rebels for the second straight year failed to make the playoffs despite having a fine 15-3 record this year. The Rebels were led by the batting and pitching of team MVP Senior Dan Cummings who stroked the ball at a fine .400 clip and had a 6-1 pitching record and 1.78 ERA. Cummings was one of four Rebel starters to bat over the 400 mark this year, as were Juniors Bobby Seames .441, 5-2, 1.52 ERA; catcher Mike Brooks, .426, aid first baseman Mike Rosenberg a team leading .449. Seniors Teddy Reed and Gerry Verrill played errorless ball and leftfielder Tim Downs contributed some outstanding defensive plays to help the Rebel cause. The team batting average was a lousy .334 with 141 runs scored compared to only 47 runs allowed by the fine pitching staff. This meeting originally scheduled for June 14, has been moved to June 7 due to the conflict with the Telstar graduation date.

Reports will be given on the present status of the Student Intern Project and of the meeting recently held between state employers and the Telstar Math Department.

All council members and interested citizens are welcome to attend this and all meetings of the Bethel Area Community Education Work Council and its Board of Directors.
